

# ADOPT CAT

A CRY FOR HELP FOR OUR FURRY FRIEND  
FEMALE DOMESTIC SHORT HAIR

**Adrian**  
1 YEAR OLD  
FEMALE TABBY

**SUPER SWEET  
SUPER CHILL  
LOVES A CAT TREE**

Adrian should live a happy life, with a little help!  
She has Feline Leukemia (FeLV) and should be kept indoors as a single cat, or with other  
FeLV+ cats. **She needs no extra meds, just LOTS of love!**  
FeLV is only transferred to other cats by shared grooming, litter boxes, and food bowls.

My name is Adrian, and Im a top shelf kitty! Im happy to share your space, and accept head pets, but Im just as happy to chill by myself on the top of my cat tree. Check
