Whoever is missing this dog  
Found near the Long Lake area  
New London. Neighbors had taken him in to Feed and  
Water him.  
Door to garage was left open and then he was gone.  
Went looking could not find.  
Hope you find him before it's too late.

Very under weight, appears to of been lost for quiet  
sometime. This is a sighting only, the dog was fed and fled.  
I am sharing the post in hopes this baby finds its humans. I
